

**MM FORGINGS LIMITED**  
**CORPORATE SUSTAINABILITY POLICY**

MM Forgings Limited is committed to practice sustainable development to create value for all our stakeholders and offer sustainable products and services which have a positive contribution on environment and society.

To achieve this goal:

1. We are proactively committed to conduct all our operations in an environmentally responsible manner that is better than statutory environment compliances and applicable standards;
2. Being a strong value driven, people oriented and accountable organization, we shall provide clean, healthy and safe working environment for employees, customers, partners and community;
3. We will uphold the value of honesty, partnership and fairness in our relationship with stakeholders;
4. We will work with local communities with a focus on holistic development of host communities and create social, environmental and economic value to the society;
5. We will continuously strive to improve the quality of products, processes and services;
6. We shall encourage and support our partners to adopt responsible business policies, Business Ethics and our Code of Conduct Standards;
7. We continue to serve our community by constantly protecting ecology, maintaining and renewing bio-diversity;
8. We will monitor and report the performance of all sustainability indicators to all stakeholders.

The management will commit all the necessary resources required to meet the goals of Corporate Sustainability.
